SUPPLEMENTAL RESPONSE

Sir:

This Supplemental Response is filed in further response to the Office Action dated 07/14/2006. A first Response was mailed on 12/14/2006 with a petition and the fee for a two month extension of time. A check of the PAIR system yesterday showed that the Response was not forwarded to the Examiner until 01/11/2007. The undersigned attorney called the Examiner this morning to ascertain the status of this application, but was unsuccessful in reaching the Examiner.

In that the end of the statutory period (01/14/2007) fell on a Sunday, and Monday (01/15/2007) was a Federal Holiday, this Supplemental Response is deemed to be timely filed. Appended hereto is a petition and fee for a three month extension of time (a two month extension of time was previously petitioned and paid for when the first response was mailed on 12/14/2006). However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and

Appl. No. 10/805,994
Art Unit 2618

charge the deposit account no.: 50-1924 for any fee deficiency.
